Reserved Pick: _____ (to be filled in by Wight Lightning Retrievers in order deposit was received)

What are your plans for the puppy? ie. Field Trials, Hunt Tests, Hunting Companion...

Please describe the type of puppy you are looking for. Any additional information will assist us in making the best match for you.

Price

The purchase price of the puppy shall be eighteen hundred dollars (\$1,800) unless you have specifically requested an EIC clear puppy. Due to the additional genetic testing and vet charges, an EIC clear puppy shall be two thousand dollars (\$2,000).

Please remember that there is NOTHING inferior about an EIC carrier pup as the genetic researchers and the history of the retriever breed has proven. It just means that prior to breeding you will need to make sure that you are breeding to an EIC clear dog.

EIC Status - NO puppies in this litter will be affected by EIC! (Please check the appropriate line.)

_____ Will accept the puppy that best fits the traits and desires listed and discussed above regardless of EIC clear or EIC carrier status. (\$1,800)

_____ Will ONLY accept an EIC clear puppy. (\$2,000)

Deposit Process

A five hundred dollar (\$500) non-refundable deposit shall be paid by BUYER to SELLER to establish a priority list for a puppy from the subject litter. BUYER will specify at the time of the deposit the gender, color, and EIC status of the puppy to be purchased. This deposit is not a "guarantee" that a puppy of the specified gender, color, and EIC status will be available for purchase from the subject litter. The deposit does establish BUYER'S position on a priority list for the subject litter. Available puppies from the litter are sold to buyers on the priority list in chronological order of when the deposits were received by SELLER. SELLER shall notify BUYER of the availability of a puppy as soon as possible after the litter is born. If a puppy of the specified gender, color, and EIC status is not available from preference #1, #2, #3, or #4 the deposit will be refunded in full and this contract becomes void.

Release Date and Possession

When a puppy is available SELLER shall specify a release date that the puppy is available for transfer to BUYER. BUYER shall pay the remainder of the purchase price prior to taking possession of the puppy. BUYER shall take possession of the puppy within two days of the release date either by pick-up or shipping at BUYER'S expense. Shipping expenses include the cost of an airline approved crate, travel expenses, and health certificate. BUYER may leave the puppy with SELLER past the release date with prior arrangements and a charge of \$10.00 per day.

Selling to Breeders

We will **NOT** sell our puppies to breeders. Our puppies' primary purpose is to be loved, competed, and hunted. If your puppy is over 2 years of age and has all of the necessary health clearances (OFA hips, OFA elbows, CERF, CNM, and EIC) and has proven its ability by acquiring AKC and or UKC titles, then we will support your decision to breed your dog. We also do not support breeding our dogs to anything except AKC registered Labrador Retrievers that have also received all health clearances as stated above and have also acquired AKC and or UKC titles. Breeding your dog is a serious process. Unless you are prepared to do it right, please do not breed your dog.
